IEEE COMPUTER SOCIETY

# 2021 Exhibitor & Supporter Prospectus

# WACV 2021

WACV is the premier international computer vision event comprising the main conference and several co-located workshops and tutorials. With its high quality and low cost, it provides an exceptional value for students, academics, and industry researchers.

Whether you are showcasing new products and services or recruiting new talent, WACV is where the international computer vision community looks for what's next – providing an opportunity to highlight what your company has to offer.

## Event At-A-Glance

## Why Become a Supporter?

WACV provides various ways for sponsors to support the community while gaining exposure as well as other benefits which include:

- Virtually meet conference participants from around the world—potential customers and collaborators—leading researchers from government, industry, and academia who specialize in electronic testing and related fields

- Gain worldwide recognition and visibility for your brand with expanded virtual branding opportunities

- Promote your organization in the official conference materials. Your organization name, logo, and website will be added to the conference proceedings, the final program, and the conference website.

- Receive complimentary registrations enabling your company to reach potential customers and recruit potential candidates

**WACV attracts decision-makers looking for the next generation of products, solutions, networking, and advanced-industry perspectives. Put yourself in the position to meet them at WACV21!**
